This is a non-final office action for application number 10/670,623, Elastic Article Suspension Device for Infants, filed on September 25, 2003.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: the application is allowable for the reasons set forth on pages 3-6 of the decision of the Board of Patent Appeals and Interferences, which is hereby incorporated by references. As noted therein, and as argued on page 9 of Appellant's brief, the claimed invention requires a stretchable/flexible cover extending between the first and second ends of a cover which is not taught or suggested by the combination of prior art references to Anderson and Dalmaso.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
